

Index

Page numbers for entries occurring in endnotes and tables are followed by n and t, respectively.

- ACP Group. *See* African, Caribbean and Pacific Group of States
- Acronyms, listing of, ix–x
- Advisory Centre on WTO law, 137
- Africa: and eco-labelling requirements, 93n–94n; and hazardous waste, 278
- African, Caribbean and Pacific Group of States (ACP Group), 326
- African Bamako Convention, and precautionary principle, 248
- Agenda 21: adoption of, 241; and Committee on Trade and Development, 310–11; developed nations' failure to support, 24–27, 37–38; and EMIT Group, 310–11; and extra-national action, 348t; and GATT, 309–10; implementation of, 28, 37, 66, 77, 87, 92; Positive Trade Agenda in, 66; and PPMs, 55; and precautionary principle, 184, 247; principles of, 36–37, 41; and technology diffusion, 355t; and TRIPS agreement, 50
- Agenda for WTO environmental action, positive, 91–93
- Agreement on Agriculture, 93n; Annex II of, 334; Article 20 of, 334; direct payments under, 334; environmental provisions in, 333–34; and subsidies, 151
- Agreement on International Trade, Environmental Protection Chapter, 250
- Agreement on Subsidies and Countervailing Duties, 93n; Article 6 of, 154, 162; Article 25 of, 156–58; challenging of fishery subsidies under, 152–56; environmental impact review of, 86; fisheries control measures in, 151–52; notification requirement of, 156–58; provisions of, 334–35; SMEs and, 351t
- Agreement on Technical Barriers to Trade (TBT): and eco-labelling, 213–18, 227–31, 321, 325, 331–32; environmental provisions in, 330–32; history of, 224–25; issues in, 53; notification requirements in, 331; overemphasis of, 75; and precautionary principle, 256–57; provisions of, 63n, 224–27; and standards, 13, 42, 93n, 256; technical experts group under, 331; transparency in, 226–27, 331; triennial review of, 234–36
- Agreement on Textiles and Clothing, 295
- Agreement on the Application of Sanitary and Phytosanitary Measures (SPS): *amicus curiae* briefs under, 186–87; Annex B of, 183–85; Article 2 of, 176–77, 179, 184; Article 3 of, 182–83, 259; Article 4 of, 183; Article 5 of, 177–85, 189–91, 258, 259; Article 9 of, 188; Article 10 of, 188;

- Article 12 of, 188; case law on, 175–85; cases covered by, 175; cost/benefit analysis in, 179–80, 191, 194n; dispute settlement procedure in, 175–76; efficacy of, 185–87; environmental provisions in, 332–33; and food safety regulations, 171–73, 187–89; and harmonization of requirements, 333; historical context of, 173–75; international standards requirement in, 182–83; least trade-restrictiveness requirement in, 181–82; liability for mistaken judgments in, 186; and market access, 351t; and national regulatory consistency, 180–81; notification requirements under, 333; political aspects of, 185, 189–90; preamble to, 63n; and precautionary principle, 184–85, 191, 194n, 256–58; problems with, 186–87; risk assessment requirements in, 177–80; rules in, 175–85; science requirement in, 176–77; and standards, 13, 42, 93n; suggested improvements in, 171–92; transparency of, 183–87, 333
- Agreement on Trade-Related Intellectual Property Rights (TRIPS), 93n; Article 27 of, 80–81, 87, 94n, 335, 357t; Article 64 of, 170n; Article 66 of, 80–81, 355t; Article 67 of, 80–81, 355t; and biodiversity, 51–53, 94n–95n, 326, 354t, 356t–357t; and biological technology, 80–81; CTE on, 324; developing nations and, 73, 91–92; discrimination against South in, 94n; environmental action and, 49–53, 315, 335–36; issues in, 79–82; and requirements for patents, 94n; review of, 79, 86, 335; standards in, 80–81, 227; and technology diffusion and transfer, 50–51, 92, 355t; and WTO role, 162
- Agreement on Trade-Related Investment Measures (TRIMS), SMEs and, 351t
- Agricultural policy, lack of progress in, 25
- Agricultural subsidies, and environment, 69–70, 73
- Agriculture Agreement. *See* Agreement on Agriculture
- Alcoholic Beverages* case: and legality of eco-labelling, 207, 210; and like-product distinction, 208
- ALI Restatement on International Law, 246, 265n
- Animal health, jurisdiction for, 332
- Appellate Body: composition of, 127; and DSU, 338–39; and eco-labelling, 205–17; environmental awareness of, 284–85, 288–89; and MEAs, 284–85; powers of, 127–28; and precautionary principle, 257–60; proposed changes in, 132; reporting requirements for, 128; and *Shrimp-Turtle* case, 38–39, 46–49, 68, 78, 328, 338–39; unresolved issues in, 26
- Appellate stage of dispute settlement procedure, 127–28; satisfaction with, 128; time constraints on, 128
- Argentina, and eco-labelling requirements, 93n
- Arnau, J. C. Sanchez, 316

- Article XX of GATT: and eco-labelling, 205, 212–13; and environmental issues, 329–30, 332; interpretation of, 328; and MEAs, 283–86, 348t; modification of, 78, 93, 290; as point of controversy, 42, 45, 69; and precautionary principle, 256, 258; proper construal of, 79; scientific basis of, 186; subparagraph G of, 26; text of, 63n; and unilateral environmental action, 46–49, 321; validity of, 287
- ASEAN. *See* Association of South East Asian Nations
- Asia-Pacific Economic Cooperation Conference (APEC), and fishery subsidies, 146
- Association of South East Asian Nations (ASEAN): and environmental issues, 307, 309; and MEA–MTS conflict, 290, 291
- Australia, and precautionary principle, 252–53
- Australia—Measures Affecting Importation of Salmon* case. *See* *Salmon* case
- Automobiles* case (1994): and legality of eco-labelling, 210; and like-product distinction, 208
- Baltic Sea Declaration, and precautionary principle, 247–48
- Bamako Convention (1991), 278
- Bananas* case: procedural issues in, 130; resolution of, 131, 137–38, 142n; suspension of concessions in, 129
- Barshefsky, Charlene, 25
- Basel Convention (on the Control of Transboundary Movements of Hazardous Wastes and their Disposal, 1989): aim of, 277; amendment to (1995), 278–79; and DPGs, 93n, 358t; and EMIT Group, 308; history of, 272; legality of, 286; provisions of, 277–79; support for, 45; technical problems with, 278
- Bergen Declaration (1990), 239, 240
- Bidwell, Percy, 174
- Biodiversity: maintenance of, 31; TRIPS and, 356t–357t. *See also* Agreement on Trade-Related Intellectual Property Rights (TRIPS)
- Biodiversity Convention: Biosafety Protocol to, 29, 272, 287; and developing nations' concerns, 91–92; mutual benefits sharing clauses in, 92
- Biological research, and TRIPS, 80
- Biosafety Protocol, 272; and GATT rules, 287; negotiation of, 29
- Blue Angel eco-labelling scheme, 197
- Border tax adjustments (BTAs): compatibility with GATT, 59; CTE on, 321; efficacy of, 58–59
- Brittan, Leon, 255
- Brundtland report, 36
- Brussels Ministerial Meeting (1990), 304
- BTAs. *See* Border tax adjustments
- Burden of proof, in environmental risk assessment, 259–60
- Bush administration, and NAFTA debate, 102
- Business partnerships for environmental action, 88
- CAA. *See* Clean Air Act, US
- Cairns Group, 69–70

- Cameroon, and DPGs, 313
- Canada: and eco-labelling requirements, 93n; and *Hormones* case, 129, 131, 172; and precautionary principle, 250; and *Salmon* case, 172, 259–80
- CBD. *See* Convention on Biological Diversity
- Certification bureaucracy, developing nations' lack of, 77
- China, and Montreal Protocol, 277
- CITES. *See* Convention on International Trade in Endangered Species
- Clean Air Act, US (CAA), and precautionary principle, 250
- Clean Water Act, US (CWA), and precautionary principle, 250
- Clinton, Bill: and NAFTA debate, 102; on sustainable development, 256; on WTO role, 5
- Cluster approach of CTE, 325
- Code of Ethics for International Trade in Food (Codex Alimentarius Commission), 188
- Code of Good Practice for the Preparation, Adoption, and Application of Standards: and eco-labelling, 216, 232; history of, 237n; importance of, 322; TBT standards and, 225; transparency of, 332
- Codex Alimentarius Commission, 333; Code of Ethics for International Trade in Food, 188; and GMO labelling, 190
- Committee on Technical Barriers to Trade (CTBT), eco-labelling and, 223
- Committee on Trade and Development, and Agenda 21, 310–11
- Committee on Trade and Environment (CTE): and agricultural subsidies, 70; balanced terms of reference for, 91; cluster approach of, 325; and consensus rule in WTO, 349t; creation of, 4, 38, 316; and developing nations issues, 74, 348t, 354t; and DPGs, 358t; and eco-labelling, 196, 204–5, 217, 223–24, 231–34, 331; and environmental impact of trade, 359t; environmental policy role, 71–73, 92, 348t; and GATS Article XIV, 336; groups with observer status in, 317, 326; history of, 313–26; issues debated in, 43–60; and mainstreaming of environmental issues, 350t; and MEA–MTS conflict, 78, 91, 248t, 291, 319–20, 354t; meeting schedule for 1999, 326; progress of, 27, 29–30, 30; and *Trade and Environment Bulletin*, 339–40; transparency of, 326, 329; and TRIPS Agreement, 324
- Committee on Trade and Environment (CTE) report: submission of, 4; validity of, 42
- Common Agricultural Policy (CAP), and export subsidies, 25
- Competition: and environmental standards, 40, 55–60, 89, 319; in policy formation, 104
- Conformity assessment procedures (in TBT), definition of, 225
- Consensus: on WTO environmental goals, 27, 29; as WTO principle, 60
- Consultation stage of dispute settlement procedure, 121–22; and

- developing nations, 136; numbers of cases resolved in, 122, 130; proposed changes in, 132; time constraints on, 122
- Convention for the Protection of Plants (1929), 174
- Convention for the Protection of the Marine Environment of the North East Atlantic (OSPAR Convention), and precautionary principle, 247
- Convention on Biological Diversity (CBD): adoption of, 241; and CTE, 326; history of, 272; need to examine, 79, 81; and precautionary principle, 247; text of, 63n–64n; and TRIPS Agreement, 51–53, 94n–95n, 326, 335–36, 354t, 356t
- Convention on International Trade in Endangered Species (1973; CITES), 46, 272; and CTE, 326; effectiveness of, 275; provisions of, 273–74; sanctions under, 272
- Convention on Long-Range Transboundary Air Pollution, and precautionary principle, 247
- Convention on Persistent Organic Pollutants (POPS), 272; and DPGs, 93n, 358t
- Convention to Combat Desertification, 272
- Coordination of policy between environmental and trade experts, 320–21
- Costs of environmental compliance, lack of information on, 77
- Council for Trade in Services, and GATS Article XIV, 336
- Cradle-to-grave analysis, definition of, 219n
- CSD. *See* United Nations Commission on Sustainable Development
- CTBT. *See* Committee on Technical Barriers to Trade
- CTE. *See* Committee on Trade and Environment
- Customary international law: precautionary principle as, 246–54; requirements for, 246–47
- CWA. *See* Clean Water Act, US
- Danielsson & Others v. The Commission*, 252
- Danish Bees* case, 252
- Danish Bottles* dispute, 288
- Decision on Products Banned or Severely Restricted in the Domestic Market* (Working Group on Export of Domestically Prohibited Goods), 313
- Decision on Trade and Environment, adoption of, 301
- Decision on Trade in Services and the Environment, CTE and, 324
- Demonstration projects, UN role in, 91
- Deposit-refund systems, CTE on, 321
- Developed nations: agenda of, 73; bargaining position of, 27; failure to support Agenda 21, 24–27, 37–38; insensitivity toward developing nations, 5, 40, 88, 89
- Developing nations: agenda of, 73, 89, 90; concerns about environmental debate, 2, 5–6, 23–28, 36, 44–45, 67–68, 70–78, 348t, 350t; developed nations' insensitivity toward, 5, 40, 88, 89; and dispute settlement procedure, 136–37; environmental awareness of, 30, 71; environmental protection in, 61; and extra-territorial

- intervention, 351t–352t; lack of certification bodies, 77; and market access, 57–58, 82–84, 351t–352t; and Millennium Round, 65–66, 68–69; negotiation resources of, 72, 104; and product labelling, 53–55, 195–219; and removal of subsidies, 353t; responsibilities of, 89; strategies for product labelling issue, 218–19; strategies for trade-and-environment debate, 348t; support for, 27–28, 77–79, 91–93, 350t, 354t; technological capacity and, 76–77, 355t
- Development, economic: impact on environment, 30; importance of, 32–33; as key to Positive Trade Agenda, 67
- Development, right to: in Agenda 21, 36–37; in Marrakesh Agreement, 41
- Development, sustainable: CTE on, 322–23; history of term, 36; as key concept, 92; in Positive Trade Agenda, 66; as WTO principle, 255–56
- Director-General of WTO, environmental initiatives taken by, 340–41
- Discrimination: and eco-labelling, 229–30; and PPMs, 351t; in SPS Agreement application, 333; and TBT Agreement, 225, 330; in TRIPS agreement, 94n
- Dispute settlement body (DSB): composition of, 122; function of, 122–23; review of dispute settlement system, 132; and *Shrimp-Turtle* dispute, 46–49
- Dispute settlement procedures, 119–38; and *amicus curiae* briefs, 135, 136; current issues in, 132; and developing nations, 136–37; efficacy of, 349t; under GATT, 120, 121, 133; improvements over GATT version, 120–21; in MEA–MTS dispute, 283–85, 315, 320; Ministerial Conference review of, 131–37; NGO participation in, 110–11; purpose of, 119; resources commanded by, 133–34; and SPS Agreement, 172; stages of, 119, 121–30; success of, 130–31; time required for, 133; transparency of, 135–36; volume of activity in, 133. *See also* Appellate stage; Consultation stage; Panel stage; Implementation stage
- Dispute Settlement Understanding (DSU): Article 3 of, 136; Article 4 of, 136; Article 8 of, 136; Article 12 of, 136; Article 21 of, 129, 132, 136; Article 22 of, 130, 131, 132; Article 23 of, 132; Article 24 of, 136; as elaboration of GATT, 120, 121; environmental provisions in, 338–39; function of, 119; versus MEAs, 44–45; and NGO participation, 111; special treatment for developing nations in, 136; transparency in, 338
- Domestically prohibited goods (DPGs): agreements regulating, 93n, 358t; CTE on, 323, 326; developing nations and, 73, 74–75, 84–85, 358t; environmental impact review of, 86; GATT action on, 312–14; history of controversy on, 311–12; notification system for, 85, 92, 358t; regional approach to, 87; transparency of trade in, 92
- DPGs. *See* Domestically prohibited goods
