**RC SFPFA**

Research Center of the Slovak Foreign Policy Association (RC SFPFA) is a non-profit organization providing services of general benefit in the field of international relations and the foreign policy of the Slovak Republic. In accordance with its status, the RC SFPFA (article III) provides:

- independent expert analyses on crucial issues of international relations and the foreign policy of the Slovak Republic;
- publishes periodical and non-periodical expert publications serving to increase awareness in the field of international relations and the foreign policy of the Slovak Republic and as a source of qualified information for both, the expert as well as the general public;
- organizes expert events and participates in international scientific cooperation in the field of international relations and security;
- contributes to fostering expert discourse on international relations and the foreign policy of the Slovak Republic;
- creates a favorable environment for the growth of the new generation of Slovak experts in the field of international relations; and
- stimulates the interest of a wider Slovak public in global events as well as a deeper understanding of the significance of foreign policy and its links to domestic policy.
