

ARAB VIEWS

This section aims to give readers a glimpse of how the Arab world views current events that affect Palestinians and the Arab-Israeli conflict by presenting a selection of cartoons from al-Hayat, the most widely distributed mainstream daily in the Arab world. The cartoons are by Habib Haddad. JPS is grateful to al-Hayat for permission to reprint its material.

U.S.-Israeli joint maneuvers target the Goldstone report. (25 October 2009)

Gaza schoolboy to his mother: "Our lesson today was about the Holocaust."
(1 October 2009)

Israel defies President Obama on settlements. (4 November 2009)

An Amnesty International report confirms the extent to which Palestinians are denied water due to Israel's discriminatory access policies. (31 October 2009)
