

## ARAB VIEWS

*This section aims to give readers a glimpse of how the Arab world views current events that affect Palestinians and the Arab-Israeli conflict by presenting a selection of cartoons from al-Hayat, the most widely distributed mainstream daily in the Arab world. The cartoons are by Habib Haddad. JPS is grateful to al-Hayat for permission to reprint its material.*

Stormy weather across the border. (3 February 2012)

Continued Jewish settlement activity endangers the prospects for a Palestinian state. (12 December 2011)

The US presidential elections. (13 February 2012)

Newt Gingrich to Amerindian Chief: "Like the Palestinians, you are an invented people." (14 December 2011)
