KLEPTOCRACY

A *POST-COMMUNIST*
SYNDROME

IN THIS ISSUE

Fifteen years into transition, political corruption is one of the biggest obstacles facing further democratization in post-communist states.

Complete Solutions

At Danish Camp Supply, we offer complete procurement and logistical solutions for your elections. We can assist with your requirements and needs in the planning stage, registration stage as well as on Election Day. We do kit packaging and bulk supplies from our warehouses, and if required we can assist with in-country distribution to polling stations.

Logistics & Quality Assurance

Danish Camp Supply has strategic offices and warehouse facilities in Denmark, Macedonia, Turkey, Iraq and Dubai, which enable us to serve clients with optimal logistical solutions. Through our select partners, we can arrange for local warehouse facilities and distribution worldwide. Furthermore, Danish Camp Supply is working closely with manufacturers in Europe and the Far East and can assure the quality of the goods we supply.

Experience and References

Over the years, Danish Camp Supply has gained experience in the specialized field of supplying elections. We know that elections are sometimes held under tough logistical, political and social conditions, and therefore it is important to have a partner you can trust. Danish Camp Supply has delivered and commissioned projects in Albania, Benin, Bosnia & Herzegovina, Burkina Faso, Georgia, Kosovo, Niger and many more.
